Breaking News

Pray for Nigeria right now and for President Muhammadu Buhari to avoid temporary political stalemate. I saw a very funny negotiation on going* as to who to hold brief for His Excellency. O Lord arise against the counsel of the evil planners in Jesus mighty name. Provocative interjection on the move. Meetings upon meetings are going on right away at the highest level to install unconstitutional and illegal board of trustees for Nigeria. God is not a liar. October 2022

TINUBU AND THE PRESIDENCY PART ONE

I had a dream about Bola Tinubu becoming the next President of Nigeria. God told me that BOLA TINUBU is his servant, serving him outside the Church setting. God said what ASIWAJU Bola Tinubu has done, many Christians have not done half of it. God said that I should give him my support and deliver the letter of authorization to him. If anyone is ready to believe anything, BOLA TINUBU is not representing APC, but God. Even if mountains fall, BOLA TINUBU is the next President of Nigeria. I am asked to allow him, and that he can be reached and is a better alternative since no Pastor is available to contest. Nevertheless, the presidential seat is reserved for a Pastor.

As for Atiku Abubakar, he was randomly disqualified. As for Peter Obi, he is not in the race. Peter Obi is not one of the contestants in the forthcoming presidential elections. Maybe later, it can be his turn. You know, an un matriculated student that writes an examination cannot get promoted because he is not a registered student of the institution.

God asked me to endorse ASIWAJU Bola Tinubu and pray for him as well. Remember, where the word of the king is, there is power. I am waiting for ASIWAJU Bola Tinubu to be announced the winner of the elections and be sworn in as President coming year 2023.

Before next year, you won't hear about Peter Obi and Kwankwaso again. It will remain Tinubu and Atiku. If they asked you to choose between Tinubu and Atiku, whom are you going to choose?

PROPHECY

God will take over Nigeria very very soon because in the area of politics. The Church is not ready. The fear of TINUBU, is the reason for over 30 men in APC jostling for Presidential race. Who wants to destroy who? Fake Nigerians, fake people. Fayemi, Osinbajo, and others in the South West should stay away and instruct their supporters to merge. United we stand, divided they fall. Don't be divided. Nigeria needs only one man to be its president. Please don't abuse me for interfering in political matters. Prophets are to correct, rebuke and edify. Remember Nigeria belongs to God. Through prophets, the Lord saved and preserved Isreal. **SAVE NIGERIA IS A DIVINE MISSION. ASSIGNMENT GIVEN TO ME BY GOD.**

My master asked me to support him and proclaim him as the next President of Nigeria.

You know, it is better to be factual, open minded and straightforward than to be a hypocrite. Tinubu's only offence is the choice of his running mate, but never mind. What God has made clean, don't call common. God trusts him more than many so-called righteous ones. Sometimes, God uses the foolish of this World to confound the wise. Remember what God said concerning Pharaoh, " I raised him to show forth my power" . Is God unrighteous? No. There is reason for everything allowed by God.

I implore the Church and the body of Christ to support Asiwaju Bola Tinubu voluntarily, that is what the Spirit said. God will use him for his own glory.

I am a voice in Nigeria politics, and I know the mind of God concerning Nigeria. Those that are pretending to be righteous will disappoint you at the end, and God will never let anyone that will disappoint Him get elected into power.

TINUBU AND THE PRESIDENCY: PART TWO

Nobody can become the next President of Nigeria without GOD. The power is with GOD, the master key to the presidency is with GOD. No man of GOD has it anywhere in this Country. It has been delivered to my hand and it is in my custody. GOD revealed it, to me.

Even the most popular candidate for the office of the President, ASIWAJU Bola Tinubu, needs GOD to succeed in the forthcoming elections.

There are people, prominent Nigerians that wanted ASIWAJU there, but none of them has the power to do so. The only candidate I am seeing is Tinubu; no other person, but he is helpless without GOD. As you can see, a lot of errors and mistakes are going on right now everywhere. You can see several accusations against him. From name issue to certificate issue, to running mate issue, to fake bishops issue. They want to pull him down by all means, but if he is wise enough, he should not depend on his intellectual capability nor his very rich financial profile nor his Northern confederacies. He should mellow down, without despising what God designed for his lifting, then God will help him. Without that, nobody can enthron the next President of Nigeria without God. It doesn't matter who prays for whom or who raises anybody's hand at any rally. It doesn't matter the political party.

I appeal to all Peter Obi supporters and his Excellency Mr. Peter Obi himself to sacrifice this election for the sake of posterity. God bless Nigeria, God bless the South West and God bless you all. Adegbeye, Gabriel Olabisi is my name. The convener of Save NIGERIA network.
savenigeria2019@gmail.com.

THE REASONS WHY ASIWAJU BOLA TINUBU WILL NOT BE THE NEXT PRESIDENT OF NIGERIA:

- 1: If Presidential election does not hold again, then he cannot be made the next President of Nigeria.
- 2: If results of the forthcoming Presidential election are withheld or cancelled by the Independent National Electoral Commission (INEC), then he cannot become the next President.
- 3: If President Muhammadu Buhari sees any reason beyond our widest imagination to hand over to an independent individual or group of individuals due to unforeseen circumstances before, during or after the general elections, then ASIWAJU BOLA TINUBU cannot be the next President of Nigeria.
4. If Asiwaju Bola Tinubu voluntarily or unwillingly withdraws from the presidential elections, then he will not be the next president of Nigeria.
5. If God says NO to his presidential ambition, then, he will not be the next President of Nigeria.

Apart from all these aforementioned reasons, Asiwaju Bola Tinubu has my backing and that of God's Angels to have his way into the Presidency.

Hausa, Fulani, Igbo, Yoruba, Urhobo, Calabari, Igala, Edo, Itsekiri, Tiv, Ebira, Egede, Isoko, Ikwere, All Nigerian, Give Your Support To Asiwaju Bola Tinubu, A Detribalised Politician.

SOUTH WEST POLITICAL DYNASTY IS NOT FOR SALE.

We cannot allow a stranger to rule over Lagos economy. It is either Asiwaju Tinubu or nobody else. Lagos is a gift. He that rules the country controls the cities and the citizens. Protect Lagos. That is the pride of the South West region. If you lose this presidential election to someone else, Lagos is lost. Your heritage is lost and your birth right is lost. Protect Lagos for Yoruba sake. Lagos is mini Nigeria and must be protected by all Yorubas. I stand with Asiwaju Bola Tinubu for his boldness to defend our traditional political heritage. Any politician or political party that doesn't have any alliance with the South West political bigwigs should not be voted for. Thank God, the North is supporting our South West aspirations to produce the next president of Nigeria.

I enjoin all our Igbo friends to team up with Tinubu to win this forthcoming presidential election this Saturday. Yorubas are the best and most friendly neighbours that the Igbo people have. Yoruba accommodate them and share land and resources with them. So the Ibos should not contest against the Yoruba candidate in this presidential election at all.

Let ASIWAJU be wise and act before it's too late. If no Pastor is available, then Bola Tinubu is the next President of Nigeria. People have sympathy for Peter Obi, but God's decision is different. A pastor is to be the next President of Nigeria, but because no pastor is contesting in the election, I am being asked to give my support to ASIWAJU Bola Tinubu which I have no choice than to give.

Church is very important and whether Christian or no Christian is appointed as ASIWAJU's vice, this does not change the plan of God for Nigeria. No Christian should fight because of political office that is not sure. As at today, GOD holds the key to the Aso Rock Villa. Election or no election, GOD is interested in the Presidency and will only give it to whomsoever he will. God bless NIGERIA. Adegbeye, Gabriel Olabisi is my name.

Nigeria is a secular state. Why are you visiting only Churches and not Mosques as well? Do you want to divide Nigeria along religious lines? Anyone who wants to be president should face Nigerians and stop using the Church to create animosity. Go and face the masses and not congregants. Nigeria is not a Christian nation, so don't make it look like one. Nobody should islamize or christianize Nigeria because of election. Pastors and Christian clerics should behave spiritually like matured clerics and be politically sensitive, so that if a Christian doesn't become the next president, we will not find ourselves to blame. If the Church promotes and demonstrates hatred to certain politicians simply because

they are not your fellow christians, then you have denied Faith. For God so loved the world that he gave his only begotten son, for whosoever believes in him should not perish but have everlasting life. God loves all. The Church should stop segregating . God bless Nigeria.

I know Mr Kayode Fayemi

I know that diligent Rt Honorable Gbajabiamila Speaker

I know many past and current senators and members of the House of Representatives.

I know many individuals that had no political ideology but relied on the political heavyweight Commander, the person of Asiwaju Bola Tinubu, to get to where they are today.

BOLA TINUBU is a visionary leader. A selfless and rugged political fighter that everyone needs to support.

BOLA TINUBU is not an opportunist. This man is not canvassing for votes because the presidency is a do-or-die mission. He has been canvassing for votes at various times for various people since 1999.

There are some presidential candidates that have not founded any political party in their lives, and some always want to be the flag bearers of their parties to the peril and detriment of others.

Some are greedy, self-centered and hypocritical, no idea to offer but want to make name for themselves at all cost, at all times and by all means. Nigeria needs a leader that makes himself a ladder for others to get to the top. Nigeria doesn't need a leader that always sees himself better than others at all times.

Seriki goman Zamani goman. One king reigns at a time. Let us give our moral support to Bola Tinubu to get the presidential winning certificate from INEC.

Asiwaju is a courageous man.

Asiwaju Bola Tinubu is the only presidential candidate that has not changed from one political party to another since 1999 till date. The only presidential candidate that has not contested to become a flag bearer of his political party since inception of this fourth republic.

The only presidential candidate that has raised and supported other members of his political party to contest for an election at the presidential level and led them to victory. A free minded politician. From AD days to ACN and the APC, Asiwaju has never at any time fixed or made himself a presidential candidate of any of various political parties he founded until now.

Asiwaju Tinubu is a leader of men who deserves respect in Nigeria of today.

He doesn't envy people he puts in authority.

He left office since 2007, but the people he helped and raised since then are still in power till today.

I know Alhaji Lai Mohammed

I know Mr. Babatunde Fashola

I know Ogbeni Rauf Aregbesola

I know Mr. Babachir Lawal

TINUBU AND THE PRESIDENCY: PART THREE

The Church in Nigeria sold her political rights and now is shouting and holding unnecessary meetings. Is it the Church that gave Tinubu the platform to emerge as APC presidential candidate? Pastor Tunde Bakare came out, the Church criticised him. The Church said that God didn't call him. Pastor Chris Okotie came , the Church said he didn't hear from God. Tinubu came out, the North embraced him and solicited votes for him. Even Tinubu's brothers contested against him . Thank God for Akpabio who step down for him. The Representatives of the Church didn't campaign nor stepped down for Tinubu. Now the Church and her people are nagging over the Muslim / Muslim ticket.

Did the Church know how Tinubu **rapala** (struggled) to win the Presidential primaries?

Does Tinubu owe the Church any explanation?

A Christian Vice-President for seven years didn't bring any reward nor blessing to the Church simply because the Vice-President is not more than a personal assistant to the President.

Now what the Church can only clamour for today is another Vice-Presidential slot. What a Shame. The Church has not seen anything. Since politics is a sin, therefore, the presidency also should be a sin to the Church and her leadership.

The Church of our time is weak and lacks the vision of God for the end time. Sleep in your Church, a time is coming that the heathen will bulldoze the Church you think is not touchable and nothing will happen. What happened when the Temple of Solomon and the Temple built by Zerubbabel and Joshua, the high Priest were demolished? Nothing? JESUS made us Kings and Priests in order to reign on Earth. Not only in the Church.

IF ASIWAJU BOLA TINUBU IS DEFEATED

If Asiwaju is defeated, President Muhammadu Buhari, the current APC strong man, the leader of the party, is defeated.

If Asiwaju Tinubu is defeated, 22 State governors of APC are defeated.

If Asiwaju Tinubu is defeated, all APC Senators and members of the House of Representatives are defeated.

When a team loses a match, it is not the shame of the skipper but the teams. If Asiwaju Tinubu is defeated, all the State commissioners under APC are defeated.

Asiwaju Tinubu is just a man and the flag bearer of his political party. The party he represents is a National party, and the regrets and shame that follow a defeat in such an election will be too costly to bear for a political party that emerged a year before 2015 general elections and became the ruling party of our nation till date.

IF ASIWAJU BOLA TINUBU WINS

If Asiwaju Tinubu wins the forthcoming presidential elections, it is a victory for President Muhammadu Buhari and his government. If Asiwaju Tinubu wins the forthcoming presidential elections, all members of his political party win globally. I am not in support of APC but fully in support of its presidential candidate.

relevance.

Make sure you hear from God before you preach obedient to your Church members, they came to worship God. So don't magnify Peter Obi, whose walk with God you are not sure of. Obedient will destroy many Pastors who allow Peter Obi to turn their churches and God's altar to campaign grounds.

Choose today whom you will worship, between Obidient and God. As for me and my family, we will worship God. Wherever you see Dunsin Oyekan singing is not the same place you see K1 the Ultimate singing. They don't share the same platform.

Pastors, stop sharing, on your platforms, the altar of the Most High God with worshippers of men and with Obedient campaigners. I Samuel 16:6-7

When they arrived, Samuel saw Eliab and thought, Surely , the Lord's anointed stands here before the LORD.' 16:7 But the LORD said to Samuel, Do not consider his appearance or his height, for I have rejected him. The LORD does not look at the things man looks at. Man looks at the outward appearance, but the LORD looks at the heart.

Pastors be warned.

THE ISSUE OF MUSLIM-MUSLIM TICKET

Muslim-Muslim ticket is a party affair that doesn't need any form of opposition or unnecessary comments

Is APC the only political party in Nigeria?

Making noise about Muslim-Muslim ticket makes it look like APC has won the presidential election.

It's a way of making APC and its presidential candidate more popular. If you are not a member of APC, why interfere in its internal affairs? This is APCs affair. It doesn't affect Nigeria and Nigerians in any way.

Ballot box determines who wins or loses in every election. All this noise was supposed to come before their primary elections, and not now that the party is strategizing to win the presidency.

What is predominant to APC now is what to do to win the Presidential elections and not Christian-Muslim issue. We should be careful the way we handle this situation so that it will not bring disunity between Christians and Muslims in the Country.

A time is coming when Christians will need the assistance of their Muslim counterparts in any matter and the outcome may not be friendly at all.

When talking about Nigeria, the nation is one. The subject of religion should not divide us. We can trust and handover our treasure into our brother's hand and things will go safely. APC is not Nigeria, but a political party, so we should trust one another.

Moreso, Christians are not supporting their own in the quest to occupy a political office while Muslims are wise in this area and are promoting themselves into politics. Christians disqualified their subjects, Muslims magnified theirs. It may be a lesson to learn from. Nobody should blame ASIWAJU for choosing a Muslim running mate. He has right to choose whosoever is trustworthy within his camp, and who has the votes to help him the Presidency.

After all, Bola Tinubu will not go outside his political party or outside his political boundaries to choose a running mate because he wants to satisfy Christians. All the political parties are battling with election and electioneering campaign to win the masses. Peace in Jesus name.

I love my Country, I love Nigeria. God owns the nation and let us trust Him.

WARNING TO CHURCHES AND PASTORS GIVING PETER OBI THE ALTAR OF GOD TO USE FOR POLITICAL CAMPAIGN.

I saw a gospel singer by the name Dunsin Oyekan. He was busy worshipping God on the stage with a large number of people. Suddenly I saw Peter Obi on the same stage campaigning. Immediately after his appearance on the altar, Dunsin Oyekan disappeared, the altar became empty. Nobody saw Dusin again and Peter Obi left and the people became stranded.

MEANING:

Dunsin Oyekan is a worshipper of God as you all know, just as pastors are worshippers of God. The Pastors are the Dunsin Oyekan. The moment you allow Peter Obi to use the same place, (ALTAR) of the Most High God to present himself to the same people that are there to worship God , you are finished. You will disappear to an unknown destination, people will look for you and will not find you again, because you have desecrated the altar of God by turning it to a campaign ground.

That altar is a borrowed altar. You know Dunsin Oyekan does not have any Church where to worship God. Likewise you, the altar is not yours, and any moment you allow Peter Obi to use God's Church to propagate politics, you, the Pastor in charge, will be missing and sooner or later lose
